## Spardi Gras Will Be All-Costume Fair... Morrissey Announces; Queen Election Tomorrow

Unequivocally stating that "everyone, whether faculty or student, must wear a costume when on or near the Spardi Gras afternoon," Denny Morrissey, Spardi Gras chairman, yesterday dispelled all rumors to the contrary.

Those caught without an appropriate costume will be punished severely in the official Spardi Gras clink or electric Morrissey said. Police students are scheduled to be deputed to carry out the work of enforcing the Spardi Gras code, which strictly prohibits anyone appearing on Washington Square in ordinary campus apparel.

### QUEEN ELECTION

Tomorrow, with the field of candidates cut to three, San Jose State college students will select a queen to reign over ceremonies and credit for each year. The contest is open to students who have enrolled previously. Spardi Gras is a day of indulgence.

Three remaining contenders are Helen Donovan, Tilde Lindeman and Jane Rood. Miss Donovan, who hails from Hayward, is backed by Sigma Gamma Beta, Beta Chi Sigma and Alpha Phi. Miss Lindeman, a junior, is sponsored by Phi Sigma and Sappho. Miss Reed, a San Jose girl, is supported by Delta Sigma Epsilon and Epsilon Sigma Phi.

### CONTESTS PLANNED

Prizes are being planned for the contests. There will be more contests and prizes for this year's Spardi Gras than any previous one, according to Guetling, head of the Contest committee.

Prizes will be exhibited in the main hall of the Administration building, near the Morris Dailey auditorium, where students see them, says Chuck Brown, of the Prize committee.

## Lieutenant Show Movies

Lieutenant Joseph Amori, USN, of aeronautics, will be on campus Thursday to show pictures of the newly inaugurated program. He is at the recruitment station in the Post Office building.

Lieutenant Amori stated that in a few days the requirements for this program have been lowered to include students 18-26 who have graduated from high school.

Explained by the lieutenant, the program was instituted by the government to provide pilots for the large turnout of naval aviators. When taking the course, students will be commissioned ensigns in the United States Naval Reserve and pay at \$180 a month, uniforms and insurance included.

Lieutenant Amori is an alumnus of San Jose State college, graduated with the class of 1929. He continued his studies at Stanford University and the University of California. He was active in class activities, serving as editor of the Spartan Daily, known then as the College Times.

## BATON WIELDER

Mr. Thomas E. Eagan, member of the Spartan music faculty, who will conduct tomorrow night's Symphonic concert in the Morris Dailey auditorium, starting at 8:30 o'clock.

## CONCERT GIVEN TOMORROW NIGHT

Mr. Thomas E. Eagan of the music faculty will conduct a symphonic band concert in the Morris Dailey auditorium tomorrow evening, at 8:15 o'clock. The concert will be free to the public.

The selection opening the program will be "Slavonic Rhapsody" by Carl Friedeman, to be followed by "Water Music" by George Handel. Edith Eagan made the arrangement of this number, which is used by the San Jose band.

"Rustic Wedding Symphony" by Carl Goldmark will be the third musical selection offered on the program.

## Technical Notice

Students enrolled in the Technical department of San Jose State college who plan to graduate in June are asked to see Mr. Heath in the Personnel office at once regarding diplomas.

Orders for diplomas must be in by May 1, and the applicant must have conferred with Mr. Heath before order may be placed.

## Forensic Squads Discuss Pro And Con Of Cooperatives Tonight In Union

### Symposium Talks

The Varsity Forensic squad will hold a symposium upon "Aspects of Consumers' Co-operatives" in the Student Union tonight at 8 o'clock.

Four principal speakers have been chosen to introduce and illustrate the topic. They are Marion Sinclair, junior history major, speaking on "The Principles of Philosophy in Consumer Co-operatives," and James Hamilton, sophomore, speaking on "Student Co-operatives."

Don DeVoss, junior social science major, speaking on "Co-operatives in Alien Camps," and Elaine Bravo, sophomore speech major, will discuss "The Historical Background of Co-operatives."

Following the talks, there will be a general discussion to which all students and faculty members are invited.

## LONDON STRING QUARTET PLAYS LAST CONCERT TONIGHT AT 8:15 IN MORRIS DAILEY AUDITORIUM

Final appearance of the London String Quartet at San Jose State college will be made in the Morris Dailey Auditorium at 8:15 o'clock tonight.

The quartet which is endowed by the Elizabeth Sprague Coolidge foundation has appeared in two other concerts in the Morris Dailey in the past two weeks.

## Sneak Rules, Plans Made At Meeting Thursday Night

By SENOR SNEAK

Bulletin: Word comes from the Senior front that Sneak Week plans are brewing. Final rules for the long anticipated strategic move on the part of the fourth-year students will be constructed at a meeting Thursday night at the home of Christine Mansfield.

Under the cover of darkness the Seniors will make all final plans for Sneak Week which, despite all rumors to the contrary, will be from May 18 to 22 inclusive. Committees and chairmen will be appointed and all plans for the Sneak will be put into operation at the meeting.

Bulletin: A Junior communique received soon after the announcement of the Senior council meeting, read: "We know, we know..." Nothing more could be obtained over the teletype from the headquarters of the Junior council.

Bulletin: Committee chairmen in charge of the traditional Junior-Senior Mixer, which will be held Monday night, May 18, announce that plans are under way and a program is being selected. The close of the Mixer will officially open hostilities between the two classes.

## Books Collected For Service Men

"By March 22 the Victory Book campaign had collected 6,500,000 books and distributed 2,000,000 to our armed forces," said Miss Joyce Baccus, college librarian.

The army received 1,000,000 of these volumes and the rest were distributed to USO huts, the Navy and the merchant marine. In California 400,000 books were collected by the organization. All of these were sent to San Francisco or Los Angeles, where they were cleaned, repaired and equipped with cards.

Program for tonight's concert includes Mozart's Quartet, C minor; Collin's Quartet, B Flat; and Brahms' Quartet, C Minor, Op. 51, Number 1.

### QUARTET MEMBERS

Members of the quartet, all of whom have played with symphony orchestras, include John Pennington, first violin; Thomas Petre, second violin; William Primrose, viola; and Lauri Kennedy, cello.

Price of admission will be 65 cents to non-student adults, 30 cents for grammar and high school students, and free to San Jose State college students.

### LIMITED DONATIONS

Mrs. Coolidge has limited her donations to educational institutions, so the quartet will not be heard elsewhere in public except in colleges and universities.

It is one of the finest musical organizations to appear on the Pacific coast this year, states Adolph Otterstein of the Music department.

## RADIO SPEAKING SOCIETY PRESENTS 'SILVER CORONET'

One of the favorite character and romantic subjects of dramatists the world over—Mary, Queen of Scots—will again be aired to the public tonight by KSJS, radio speaking society, on KQW at 10:30 o'clock. The drama of Bothwell's love of Queen Mary, "The Silver Coronet," by Wilfred Pettitt has been chosen.

Jeanette Thimann has been cast in the leading role of Mary, Queen of Scots. The Earl of Bothwell will be played by Joe Juracich, recently returned KSJS member.

Other KSJS members supporting Miss Thimann and Juracich will be Ronald Hadley as Count Shrewsbury and Jack Hume as the Earl of Leicester. Frank Valenti will narrate the show. R. L. Irwin, club adviser and radio speech instructor, will direct the play.

As a special art of the background material, Rachmaninoff's second piano concerto and Tchaikovsky's first piano concerto will be used as introductory and atmosphere material.

"The Silver Coronet" is one of the series of Story Hour plays presented weekly by KSJS over local station KQW. The programs are headed by KQW's production man, Fred Ruegg.

## Student Council

With the four new officers representing the four classes sitting in with them, San Jose State's seven council members will hold a special meeting at the Student Union starting at 7:30 tonight.

Spardi Gras, the "Gripe" dinner, and the 1942-1943 budget will be the main topics. The meeting will be presided over by President Don True and is open to the student body.

## Phi Mu Alpha

Twelve prospective pledges to Phi Mu Alpha, national music fraternity, were entertained at Seaciff. Ray Vidler, senior music major, was in charge of the affair.

Plans made by the organization include an informal initiation a week from tomorrow, and Hell Week from May 10 to 17.

# Duels Between Smith And Davis, Knowles And Klemmer In PAA

By NIELS NIELSEN

Two of the greatest track duels in the United States are scheduled to take place in the Pacific Athletic Association championships at Berkeley Saturday, when Bill Smith meets Davis, U. C. sprint star, in the 100-yard dash and Thelmo Knowles tangles with Grover Klemmer, Cal's great middle-distance runner.

## SPORTS

By BILL MORROW  
Sports Editor

Football at its classical best may be seen this afternoon on the San Jose diamond just outside the Athletics office at around 3:30 o'clock.

At that time the Commerce and San Jose teams, two of the best softball outfits to be seen in the Commerce and Journalism departments, will clash (of course, they really won't clash, but that's what you're supposed to say about a big-time sporting event like this one will be).

The Commerce team will include a lot of ringers from the varsity baseball squad, so if we lose we've got an alibi made to order.

Down for last weekend was Barker, now Ensign Dierker, U. S. Naval Reserve. Dick was best javelin thrower last year in the college class Long Beach relays, and consistently averaged over 200 feet.

Now that Walt McPherson's team finally wins a couple games, the current season is all over, with but one contest left.

That one has been rained out times already. It ain't right, they just came up and demanded that we put in a plug for the dance but I says no I can't do a sports column that the APO full moon dance is at the lodge this Saturday for one twenty-five per bid because this is a sports column and must stick to sports. Well he says this is a sport dance so that's in fine but we still insist he goes away.

### Tomini, Perry Win Bowling Title

Tomini and Bill Perry were outstanding Spartan bowlers last weekend when they captured the doubles title in the second annual all-college bowling tourney held in Palo Alto.

The pair rolled a 1297 to outpace their nearest opponent by 80 points.

**HIGHEST GAME**  
Tomini won the all-events title in the tourney, piling up the most points in his singles match, doubles match and team score. He bowled the highest game of the tourney when he bowled a 254, which was second in the singles tourney.

San Jose's first team took fourth place, thus vacating the title they won last year. Stanford was first, followed by Sacramento junior college and California in that order.

### Club Gives Dinner

The home of Claude Settles will be the scene of a banquet by the bowling club honoring three Japanese students who will leave school for a Japanese internment camp. Those to be honored include Ellen Okagaki, Emy Kimura and Dick Migi.

After the dinner, plans will be completed for the club's Spaulding concession which will be pictures of the campus taken during the school year. Among the organizations to be shown in the pictures are pledges of Epsilon Nu, Delta Theta Omega, and the nature study trip to Death Valley.

## From the Sidelines

By WILBUR AGEE

### Records

Five track records of long standing have gone by the way so far this year with prospects ripe for several more records and improvements of those already established this year.

#### SMITH SETS THREE

Bill Smith, lanky colored sprinter and jumper from Los Angeles, has chalked up three of these, garnering his third one last Saturday against the Southern California Athletic association in the broad jump.

Smith leaped through the air 24 feet 7 inches, bettering the old mark of 24 feet 6 inches set by Doug Taylor in 1933.

#### FAST CENTURY

Other records set by Smith this year are 9.5 seconds in the century, bettering Lou Salvato's 9.6 mark set in 1934, and 6 feet 5 inches in the high jump, 2½ inches better than Ticky Vasconcellos' mark of 6 feet 2½ inches set in 1939.

Frank Minini broke his first record of the year Saturday when he heaved the shotput over the 50-foot mark to establish a new school record of 50 feet 8 inches. Don Presley was the holder of the record at 49 feet 10 inches set in 1940.

#### HALF MILER

Thelmo Knowles, colored half miler, set a new record in the 880 yard run against Santa Barbara in the fast time of 1:54 to rank among the top in the nation and the best on the coast. The previous record was 1:54.7 set by Vin Ruble in 1940.

Smith could easily better his marks in the century and broad jump but until he shows some improvement will be hard pressed to better his high jump record. In his last few meets he has yet to better 6 feet 2 inches.

Minini will more than likely better his shotput mark if he keeps improving as he has in the past.

Knowles has yet to be pressed in the half mile and if pressed could probably hit 1:53 without any difficulty.

### May Be Broken

When in top shape, Omar Cowles should easily set a new record in the high hurdles. The old mark is 14.9 and is held by Harry Murphy. It was set in 1930 and has stood for 12 years. Cowles ran 15 seconds flat Saturday and did 14.8 seconds in high school.

Bill Rhyne could break the 220 yard dash record of 21.1 set by Jim Stockdale in 1935 if he does as good as he did Saturday. He was two yards behind the winner, Payton Jordan, who was clocked at 21 seconds flat.

victory in turning back San Francisco State college with six hits.

#### FOUR-HITTER

Then Saturday he won his second straight with a 10 to 6 win over Fresno. Three of the Bulldogs' runs were scored in the ninth inning. Bill Payne, not to be outdone by Gottschang, really settled down in the second game Saturday and pitched a masterful four-hit triumph.

Smith and Davis should put on the greatest race in the nation this year when they come together. Davis is unbeaten this season, while Smith is the only man in the history of track and field to run off 100 yards in 9.5 seconds in two successive races.

#### JORDAN THIRD BEST

When Smith defeated Payton Jordan of the SCAA Saturday, he beat the third best man in the nation. Last year in the eastern track championships it was Davis, Barney Ewell of Pittsburg, and Jordan.

Davis has been around 9.6 to 9.8 this season but these times can't be compared with Smith's pair of 9.5 because the Cal track is slow. Not one man since "Bullet" Bob Kiesel, Cal's ace sprinter of a decade ago, has made 9.5 on Edwards Field.

#### FAST START

Smith's secret lies in his fast start and his complete relaxation while running. Davis's strong point is his terrific "gather" in the last 20 yards.

According to Coach Winter, the meeting is going to be nothing short of sensational, and Smith, in the best shape of his career, stands an excellent chance of winning.

#### 880 DUEL

When Knowles meets Klemmer something is bound to happen. Knowles has run 1:54 for the fastest time in the nation this year, without any competition to speak of. According to A. A. Monteverde, SCAA coach, Knowles could easily have run 1:52 last Saturday.

Klemmer, although known best as a quarter miler, ran the fastest half mile on Cal's two mile relay team which broke the world's record last year.

This will be Knowles' test, and according to Winter he stands a better-than-even chance of breaking the tape for a great victory.

## Rain Postpones USF Ball Game For Third Time

For the third time this season the baseball game between the University of San Francisco and San Jose State college has been postponed because of adverse weather conditions.

The contest scheduled for Backesto Park yesterday afternoon has been shifted to Spartan Field this afternoon at 3:30. This is the final game this season for the Spartans.

#### PITCHERS WIN

With pitchers Jack Gottschang and Bill Payne finally finding themselves and pitching creditable ball, the Spartans appear as a definite threat to the team that defeated them 17 to 7 early in the season.

A week ago yesterday Gottschang pitched his first complete game of the season and his first

## GOLFERS TAKE ON MENLO IN RETURN MATCH THURSDAY

Sparta's divot men play their second match of the season when they meet the Menlo Junior college squad in a return contest at the Los Altos Country club Thursday afternoon.

The Spartans defeated the Jaycee men 5 to 4 in their meet last Friday afternoon at the Hillview Country club. San Jose's number one man met and defeated the Menlo numbers one and two men in garnering three points for the Spartans.

William Golding and Ray Fraser teamed up to win one point and lose two to Menlo, as did Dick Rodrick and Wilbur Conrad for the other Spartan point.

This year Coach Walt McPherson hasn't any definite schedule. He, like Dee Portal and Bud Winter, is taking on anybody, any place, any time. Two matches will be played with the University of San Francisco, but no definite dates have been set as yet.

## Inter-Frat Cage Tourney Today

Sigma Gamma Omega, winner last year, will seek its first win in two starts this afternoon when they battle Delta Theta Omega in the interfraternity basketball tourney.

Beta Chi Sigma will face the strong Alpha Pi Omega five in the second game of the afternoon.

Delta Sigma Gamma, who leads the tourney so far, and Gamma Phi Sigma will remain idle this afternoon.

## Spartan Netmen Battle St. Mary's This Afternoon

San Jose's varsity tennis team will travel to Moraga this afternoon to battle St. Mary's in a return match. On the local courts the Spartans downed the Gaels 9-0, winning all but one match in two sets.

The following will start for San Jose in this order: Ronald Edwards, Vic Morton, Porter McConnell, Jim Thorne, Ted Andrews and John Nicholson.

#### USF NEXT

Thursday the Spartans will battle the University of San Francisco in what will decide the conference standings. The Spartans bowed to the Dons earlier but were minus the services of several first stringers.

If the Spartans get by the Dons they will only have Santa Clara to worry about and they dropped them 5-4 last quarter on the Bronco courts.

#### ONE AND ONE

Last week the Spartans were dropped by UCLA but defeated Santa Barbara on their southern invasion. In the Ojai tourney Edwards lost out in the second round and Morton in the first in the senior college singles. They also lost in the second round of the doubles.

In the frosh division Dink Clark went to the semi-finals of the singles before being dropped, and Clark and Don McKenzie went to the semi-finals of the doubles. McKenzie bowed out in the opening round of the singles.

## Big Week On Washington Square

This week might be termed music week at San Jose State college. Tonight students will have the third and final opportunity this year to hear one of the finest string quartets in the world.

"This is an opportunity that few institutions enjoy. It is the best kind of music any institution can present," said Washington Square's professor of music and director of the college symphony orchestra, Adolph Otterstein.

Tomorrow night the sixth annual concert to be played under the direction of Thomas Eagan will be presented by the college symphonic band free to associated student body members.

The band will play a wide selection of pieces and will undoubtedly be good if the concerts of previous years are any standard by which to judge.

This is a big week on Washington Square. Two concerts, election of Spardi Gras queen, and Spardi Gras Friday. A week packed full of entertainment. Let's not miss a minute of it. Attend the concerts by the band and string quartet.

—Loomis.

### ● CONTRIBUTORS' COLUMN

THE OLIO ACTS  
(Any resemblance to poetry is wholly intentional, but hardly probable.)

The three pretty singers with "If Jack Were Only Here,"

Brought to the eyes of the audience many a pitying tear.

"Only a bird in a Gilded Cage" was pathetic beyond compare,

Especially in Mr. Johnson's style of rendering the air.

Came next the minstrel with the tattered hat and face as black as coal.

That rhythm man, Mr. Washington Bond, has music in his soul.

A bewitching lass, Miss Granite by name, with a captivating smile,

Entertained delightfully in true Gay Nineties style.

With shield and helmet and jewelry, Miss Thompson, the opera star,

Seemed to have come from Valhalla, a Valkyrie from afar.

Professor Bauquier, a speaker both erudite and sage,

Had a bit of trouble with the props upon the stage,

But the laughter of the audience caused him no dismay,

And he proceeded with the lecture in his calm and charming way.

Mr. Callahan recited a la thespian Barrymore,

With a true Shakespearian touch,

## Spartan Variety Show Big Success In Lettuce City

To the enthusiastic applause of a very receptive audience, the San Jose State college Defense Council Variety show went over with a bang at the USO building in Salinas Sunday night.

## THREE SIGNS HUNG TO IDENTIFY SAN JOSE STATE COLLEGE; PLACED AT OBVIOUS CORNERS, ENTRANCES

"San Jose State College. Established 1862."

This is the legend of three new signs which will be placed on-campus this quarter to identify Washington Square to passers-by.

Two will be of wood with a metallic finish and one will be of wrought iron. The former will be placed on the southwest and northwest corners of the campus, and the iron one will be placed outside the Industrial Arts entrance to the grounds.

The wooden ones were designed by the Art department and will be decorated with a train of covered wagons across the top. These signs were constructed of several pieces of wood placed together to form the whole. Then they were covered with a special glue.

By blasting the tops with sand, the letters were brought out. Then the glue was stripped off the letters and the signs were sprayed with hot metallic brass.

The signs will be dedicated to the graduating class.

They were built in response to a need expressed on-campus for identification signs. It was noted at the beginning of the school year that strangers to San Jose did not recognize the school as being San Jose State college.

The student council has had the matter under consideration for the past two quarters, and the art designs were made last quarter. Most of the work on the wooden signs was done downtown, but the metallic finishing is being done by the Industrial Arts department.

## ORCHESIS TICKETS AVAILABLE NOW FOR NEXT WEEK

Students, faculty and friends may obtain tickets free of charge today from members of Orchesis or in the office of the Women's gym for the annual spring dance program to be presented next week.

Admission will be by ticket. The program will be held in the Little Theater May 7 and 8. Only 200 seats will be available for each night's performance, according to Miss Marjorie Lucas, dance instructor.

An invitation has been extended to the students and faculty members of nearby high schools and junior highs.

Orchesis is presenting a program divided into three parts and will repeat the hit of last year's show, the group's interpretation of T. S. Eliot's poem, "The Hollow Men." This is the only dance program presented to accompany the program.
